

Explosion Protection

Product Overview

Intrinsic Safety Barriers

- Isolated Barriers
- Zener Barriers

Scan for more product info.

Signal Conditioners

- K-System
- SC-System

Scan for more product info.

FieldConnex Ethernet-APL and Fieldbus Infrastructure

- Ethernet-APL
- Advanced Diagnostics
- FOUNDATION Fieldbus H1
- PROFIBUS PA
- Ethernet

Scan for more product info.

Enterprise Mobility

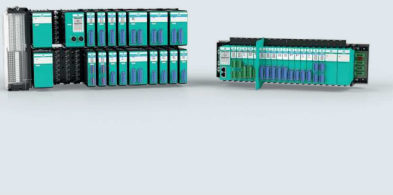

- Tablets
- Smartphones
- Peripherals

Scan for more product info.

Remote I/O Systems

- FB (Zone 1)
- LB (Zone 2, Class I/Div. 2)

Scan for more product info.

Industrial PCs and Monitors (HMI)

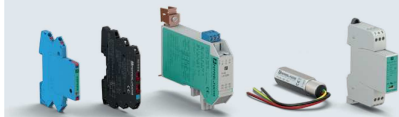

- Industrial Monitors
- Industrial Box Thin Clients
- Thin Client Software
- Peripherals

Scan for more product info.

Your automation, our passion.

Surge Protection

- Devices for Signal Line Protection
- Devices for Supply Line Protection
- Devices for Fieldbus Infrastructures

Scan for more product info.

Electrical Explosion Protection Equipment

- Terminal and Junction Boxes
- Control Units and Control Stations
- Control and Distribution Panels
- Enclosures and Cable Glands
- Signaling Devices, Safety and Disconnect Switches

Scan for more product info.

Level Measurement

- Limit Detection
- Continuous Measurement
- Interface Electronics

Scan for more product info.

Purge and Pressurization Systems

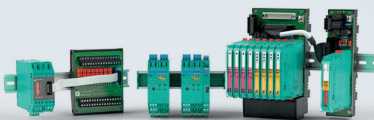

- Type X
- Type Y
- Type Z
- Ex pxb
- Ex pyb
- Ex pzc
- Enviro-Line

Scan for more product info.

HART Interface Solutions

- K-System HIS
- H-System HIS

Scan for more product info.

Power Supplies

- K-System Power Supplies
- Fieldbus Power Supplies
- PS Industrial Power Supplies

Scan for more product info.
